Publications and Preprints of J.P.C.Greenlees

Authors are listed in alphabetical order; joint authors are equal.
The research monographs [21, 40, 52, 66] are listed in the same sequence because they are in essence very long papers.

[1] J.P.C.Greenlees "Functional duals and Moore spectra", Bulletin of the London Mathematical Society **17** (1985), 43-48.
