FFP3 PPE has changed the way we work.

It creates a physical barrier that restricts communication resources.

This can leave us tempted to

✗ Adjust or remove our PPE

✗ Speak louder or shout to be heard

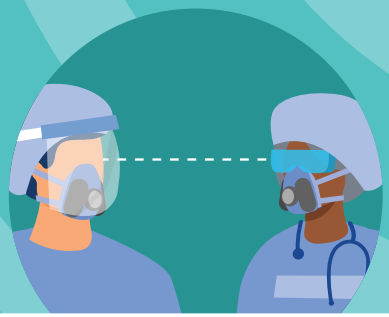
Key compensation strategies for maintaining teamwork in the Covid-19 Zone.

1. Lean closer

2. Use Gestures

3. Tap for attention

4. Use visual cues



5. Establish eye contact

6. Use names

7. Feedback

Using all available resources to compensate for information loss.
