- ◯ No

Project officers' names, emails and departments *

List all project officers in this format: Jane Doe, jane.doe@warwick.ac.uk, Warwick Business School. Separate each individual details using ';'

Have you applied/will you apply for funding from any other internal or external funding scheme for this proposed project? *

- ◯ Yes
- ◯ No

Please specify which other funding scheme you have applied for and the status of the application (to submit, submitted, awarded, unsuccessful) *

Supervisor support statement

Please upload an email from your supervisor containing the support statement in the format provided - **Note that we need a supervisor support statement for each project co-lead and project officer** *

Supervisors need to:
1 - Fill out the support statement template found on Warwick Year of Postgraduate Research Grant scheme
2 - Paste this into an email and send it to the student

The student needs to:
1 - Save the email from their supervisor(s) as a PDF [File - Print - Print to PDF]
2 - upload the PDF using the button below

Alternatively the student can screenshot the email from their supervisor and upload the image file (e.g. PNG)

Upload file

File number limit: 10 Single file size limit: 100MB Allowed file types: PDF, Image

Project Information

Use this section to describe your project

What is the title of your project? *

Summary of project (max 1500 characters) *

Briefly describe the proposed activities including outcomes (what?) and its purpose (why?)

Please enter at most 1500 characters

Project objectives (max 1000 characters) *

How do you plan to achieve the proposed project described above?

Please enter at most 1000 characters

Targeted audience (max 1000 characters) *

Which stakeholders will your project reach and how? How has inclusion been embedded in your project to ensure equitable access to project delivery and benefits for all stakeholders?

Please enter at most 1000 characters

Collaborators (max 1000 characters) *

Other than the project team, who else will you involve in your project and how?

Please enter at most 1000 characters

Interdisciplinary value (max 1000 characters) *

How will this activity benefit from an interdisciplinary approach?

Please enter at most 1000 characters

Warwick Year of Postgraduate Research alignment (max 1000 characters) *

How does the proposed project align with the aims of the Warwick Year of Postgraduate Research?

Please enter at most 1000 characters

Sustainability and Evaluation (max 1500 characters) *

What will be the legacy of this project? How can the outcomes of this project be embedded and sustained at Warwick and beyond? How will you know that your project expected outcomes have been met?

Please enter at most 1500 characters

Proposed start date *

Project duration (no. of months) *

Upload a supporting document outlining your project plan (e.g., Gantt chart) *

Upload file

File number limit: 1 Single file size limit: 100MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

Please outline your budget and justification of costs including the total amount requested (GBP) and breakdown of constituent costs (max 1500 characters) *

Please also include dates/timeframes for specific parts of the activity

Please enter at most 1500 characters

Justification and value for money *

Mentoring *

Choose from the following in terms of additional support you may require from a mentor with relevant expertise in your project area

- ◯ I have identified a mentor for this project
- ◯ I have not identified a mentor for this project but I would like help to identify one if awarded funding
- ◯ I don't require a mentor for this project

Governance

Please refer to the University's guidance on which types of activities require ethical approval, and consider the review dates when planning your start-date https://warwick.ac.uk/services/ris/research-integrity/ethical-approval/

We do not expect you to have sought ethical approval at this stage. You will be able to seek ethical approval after awarding of project funding (more information will follow at a later stage)

Is ethical approval required for this activity? *

- ◯ I've checked and it is not required
- ◯ It is required but I have not applied yet
- ◯ I have applied and it is pending review
- ◯ I have received ethical approval already
- ◯ My ethics application needs to be resubmitted

Please provide your ethics application reference (optional)

Please upload your ethics review outcome letter (optional)

Upload file

File number limit: 1 Single file size limit: 10MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

I have read the guidance for this call and agree to comply with all scheme requirements, including any research integrity, ethical approval, due diligence, risk assessment, contractual, financial, or governance processes required for the proposed activity. I acknowledge that all expenditure funded through this award must comply with the University's financial regulations and procedures, and that any necessary approvals must be obtained before expenditure is committed or incurred. If successful, I agree to acknowledge this funding in any outputs, activities, events, publications, or communications arising from this award using the wording provided by the Doctoral College. I will provide progress updates if requested and submit the required final report within four weeks of project completion and no later than 31 July 2027. I will promptly notify the Doctoral College of any significant changes to the project, including changes to the project team, timeline, delivery plans, budget, or any anticipated underspend. I understand that information provided through this application may be shared with relevant University staff, and University committees for the purposes of assessment, award management, monitoring, and reporting. The University of Warwick is the Data Controller for the information provided in this application and is committed to protecting the rights of individuals in accordance with Data Protection Legislation. Further information is available on the University's Data Protection webpages. If you wish to exercise your data subject rights, make a complaint, or report a suspected personal data breach, please contact the University's Data Protection Officer at infocompliance@warwick.ac.uk. *

- ◯ I confirm that I have read, and agree to the above declaration
