If you are a member of staff, non-salaried staff, or PGR, you may register for car parking by following these 7 simple steps:

Step one – Please visit or click this link - https://UOWParking.apcoa.com/

Step two – Log into the parking portal here

Step three – Complete the sign in process with your University of Warwick IT account in the format of usercode@live.warwick.ac.uk and ITS password.
**Step four** – Add vehicles to your account using this button.

**Step six** – Select this option to begin setting up your automatic payment method.

![Vehicle Details](image3)
Step seven – Click this button to enter your credit/debit or prepaid card information.

Once those steps are complete you have finished setting up your account. You will be charged on a pay per use tariff rate, further information can be found here - https://warwick.ac.uk/services/carparks/payment_portal.
