Jaguar Land Rover Experience Zone

Racing enthusiasts and thrill seekers should head for the action-packed Jaguar Land Rover Experience Zone for a range of entertaining and exciting driving activities! With a range of Jaguar and Land Rover vehicles on display, visitors can experience the thrill of driving a Jaguar or Land Rover in a simulated real-life environment.

Don’t miss the Jaguar Land Rover Zones running throughout the day 10am-5pm

Jaguar Land Rover

Jaguar Land Rover Technology Zone

Today’s research is tomorrow’s reality - the world of mobility will see major change in the next two decades. Visit the Jaguar Land Rover Technology Zone to discover the future of mobility and the journey towards ‘Destination Zero’. Zero emissions. Zero accidents. Zero congestion.

Explore the multi-award winning World Car of the Year: Jaguar I-PACE - our first all-electric performance SUV, and learn about cutting edge technology transference to the new track in the FUTUREX inaugural motor racing series and the FIA Formula E championship. With display vehicles including the TYPE 3: Panasonic Jaguar Racing’s all-electric Formula E race car - and the Jaguar I-Pace CHAMPIONSHIP CAR - this is not-to-be-missed opportunity for anyone interested in racing.

Jaguar Land Rover Education Zone

STEM enthusiasts should head to the Jaguar Land Rover Education Zone to take part in fun and interactive activities including navigating a remote control vehicle around an off-road track and exploring autonomous driving features.

Jaguar Land Rover Racing enthusiasts and thrill seekers should head here for a range of entertaining and exciting driving activities for all ages.

Jaguars et Land Rovers are available in all buildings where events are taking place.

Look out for cafés and food stops where events are taking place.

Toilets are available and food stops where you see this symbol.
