Warwick Summer School 2019 in London
in collaboration with St Mary’s University
14 July – 3 August
Excellence in the Capital

Students on the Warwick Summer School in London will be taught by academics from one of the UK’s leading Universities, whilst living in the beautiful London suburb of Strawberry Hill. St Mary’s peaceful and self-contained campus is only 30 minutes from the heart of London, making this a unique “best of both worlds” experience.

In addition to the excellent academic courses, students will also enjoy lectures from inspirational guest speakers as well as a fun and engaging social programme. There will be plenty of time in the programme for students to explore central London and the local area. Students who have attended previous Summer Schools were overwhelmingly positive about their experience, with 99% of them saying they would recommend it to others.

Whether you want to boost your core knowledge, are looking for something more specialised, or would like to learn something new, we have a course that is right for you. All of our Summer School courses are three weeks long and are suitable for students 18+ and who are currently studying (or who have previously studied) at undergraduate or postgraduate level. Details of specific entry requirements for each course are on the website warwick.ac.uk/summerschool

Taught by top faculty members, the courses will reflect the highest standards of Warwick’s and St Mary’s learning. The courses for 2019 will include:
