

Sources of Income 2024/25 and 2023/24

Income	Comes from
Non-UK Student Fees*	Fees paid by students for academic courses at undergraduate and postgraduate level
UK Student Fees*	Fees paid by students either directly or via Student Loan Company for academic courses at undergraduate and postgraduate level
Grants for Research	Grants paid by Research Councils, Government, Industry and Charities to fund research
Grants from Government	Grants paid by the Office for Students and Research England to support teaching and research
Other Income	Income from consultancy services, other services rendered, grants to fund assets, donations and income from investment of cash balances and returns on donated funds
Residences, Catering and Conferences	Student residences, cafes and bars and on-campus conference activity
Retail Operations	Shops on campus, printing and photocopying services
Other Academic Fees	Fees paid by students for non credit bearing courses, income from external bodies for research studentships and training
Conference Centres	Charging external users for use of the dedicated conference facilities: Radcliffe, Scarman and the Slate

* The presentation of accredited course fees has been revised, now split UK and non-UK (incl. EU). In 2023/24, these were split Home/EU and Overseas (excl. EU). Home/EU fees reported in 2023/24 were £179.1m.

Analysis of 2024/25 Expenditure by Activity*

Expenditure Area	Area covers
Academic Departments	Academic subject departments where students are based
Costs of Research funded externally	Research projects carried out in academic areas
Academic Services	Centralised services to support the academic areas (eg library, IT, knowledge transfer, Humanities Research Centre, Language Centre)
