 Philip III: 1 tetradr. (Babylon)

Disposition: New York 85 (Philips and Alexanders of Lot A plus the Aegina illus. by Newell ex Hoyt Miller); Empedocles 39 (Lot B with one exception); Seltman 3 (Elis of Lot A)

Newell, *NNM* 21 (1923), 39 pp., illus.
 After Lot A had been published by Newell he learned of another 40 coins from the same hd. (39 acquired by Empedocles and 1 in trade). Among the post-humous Philips of Lot B is one described as having AE and bucranium. If this was part of the original hd., it may require lowering Newell's burial date of 315 B.C. by a few years
 For a third lot of coins, possibly part of this Andritsaena find, see "Tripolitza," no. 84 below
