

Principles & Methods of Classical Archaeology

Dr Suzanne Frey-Kupper, Associate professor (Reader) S.Frey-Kupper@warwick.ac.uk

T 2-5 Ancient Gardens - Seminar

Themes & Questions

1. What role did domestic gardens play within a Roman house?
2. How did the design of the gardens contribute to their role?
3. Was a Roman garden in a religious space?
4. Why has garden archaeology become a distinct area of archaeological interest in the last few decades?
5. Are there any obvious distortions or biases in the surviving evidence for Roman gardens?
6. What influences have the designs and features of Roman gardens had on the modern world?
