MAU MAU SPECIAL SUBJECT
MASTER READING LIST

Not all of the titles listed here are available in the Warwick library, but the list is provided in order to give a wider indication of the available literature. It will be especially useful for those students who choose to write dissertations related to the Special Subject, and to all those students who may wish to broaden their reading and deepen their understanding of the topic. A complete list of the documents assigned for the course is included.

Secondary works

Heather, Randall W. ‘Of men and plans: the Kenya campaign as part of British counter-insurgency experience’, *Conflict Quarterly* 13 (1993): 17-26
