C/O Mr Harris,
W.F.T.U. Delegation,

We, the workers of Abadan, members of the F.T.U.

herewith welcome the arrival of the Delegation of the W.F.T.U.

in Iran.

We beg to Delegation to come to Abadan and witness the

crueltees administered to the oil workers on the spot.

We should also like to express our deep felt disgust and

strong protest against the Governments' Agents who have occupied by

force the various clubs (centres) belonging to the F.T.U. in

Tehran and provinces, and have imposed numerous restrictions against

the workers' movement with a view to destroying their organisation.

We hereby express our loyalty to the F.T.U. and to

Reza Roosta its General Secretary,

On behalf of Abadan District T.U.

Karim Dakhsh.
