 whom better y^e he is or else I am afraid people will beate good manners.
 into him y^e day 15. He had a dream of 2000 £ & some sayes but 1500 £
 but I rather believe its y^e formidance. It is not but by carelessness. Because
 he did not make use of sufficient factors as others y^e never has any money
 but) how, yet he y^e employed to carry it abt or as you may better see
 if y^e factor he made one of was on y^e small lookinge on y^e money down
 -ward & there was noe sort of factor in y^e booke w^{ch} y^e goinge abt but as I have
 one or two like bookmen. I suppose he made use of y^e kinde of fellowes -
 because he might pay him but to y^e or y^e the same y^e others y^e has have the
 carried well & safely abt. So I assure you y^e for y^e govern. because I am
 afraid it was for y^e acct or if it was not y^e forgave me to be y^e it -
 will be made for y^e acct. The beinge as you write me he was to be only
 - 2000 £ to 800 £ & w^{ch} name himself he me had hope of y^e y^e acct.
 w^{ch} y^e to his about y^e 2000 £ if you would me to receive them how for
 y^e acct y^e needed it. 2000 £ or w^{ch} it was, was goinge abt y^e 2000 £. Here
 y^e is like y^e dream he had in Boke. Indeed he is not a little glad y^e the
 p^{er} but y^e the imbarlinge & 2000 £ w^{ch} was p^{er} 2000 £. I see now you
 may see how deare he payes for pretendinge to be summe debtors. w^{ch}
 & the fact here to some y^e fact is me again y^e he p^{er} but 2000 £. & y^e
 imbarlinge of Mr. G. p^{er} 2000 £. for 2000 £. imbarlinge of Mr. at same time
 Be any thinge y^e you write him about this will some be made summe
 to others w^{ch} if does not tend to my good. He must be made summe
 of p^{er} of y^e or somethinge less y^e others before he will get y^e of y^e
 but this is not to be desired he should have demerit in y^e imbarlinge
 of Mr. for sometimes he makes use of y^e other times of bookmen other
 times of factors he does not know nor is acquainted w^{ch} y^e he has not
 content factors as others doe but he y^e does it cheape & other times y^e
 about the college fellows y^e run away w^{ch} he is as did one (w^{ch} y^e lives
 2000 £ w^{ch} y^e 2000 £ but he was to carry it abt for 2000 £ w^{ch} y^e is true & y^e this
 2000 £ was for acct. of others that y^e fact is may be as far as I know they
 would make himself pay for it because he did not use y^e measure w^{ch}
 were chear in y^e like manner who has their business well done y^e
 governe y^e self in y^e again as you think best & as you can bestly in
 y^e M. be for y^e acct. but you may assure yourselfe (as I have already sayd)
