The Language Centre offers a number of language learning opportunities!

## Lifelong Language Learning (LLL) programme

Courses within this programme are available to anyone wishing to learn a language at a more relaxed pace. We offer a wide range of language courses that can take you from beginner through to advanced level, with the majority of the classes timetabled in the evenings.

**Languages offered include:** Arabic, Chinese, French, German, Greek, Italian, Japanese, Korean, Portuguese, Russian and Spanish.

There are two course types: Large (up to 24 students) and Small (up to 12 students) depending on language and level. Please be aware that all classes require a minimum class size to run and that in exceptional cases we reserve the right to exceed class sizes by one or two people.

The fees for these courses are:

**Groups of up to 24:**  
**£280 for public and students**  
**4 WLA vouchers for staff**

**Groups of 12 and under:**  
**£350 for public and students**  
**5 WLA vouchers (or 4 vouchers plus additional £70 for) for staff**

Upon completion of the course you may be eligible for a certificate awarded by the Language Centre (the eligibility criteria can be found on our website). Please note that certificates are not provided to students taking our LfP classes.

Information on levels available in each language can be found on our website, but if you have any queries regarding this, please email us at [language.enquiries@warwick.ac.uk](mailto:language.enquiries@warwick.ac.uk)

## Academic module programme

The modules in this programme may be taken for credit as part of your degree study or as a standalone module (for a separate fee). They are also open to postgraduate students, university staff and members of the public. We offer a range of levels, depending on the language, as well as accelerated options for those who wish to develop their language skills at a faster pace.

**Modules are available in the following languages:** Arabic, Chinese, French, German, Italian, Japanese, Portuguese, Russian and Spanish.

Most of our modules are year-long and can therefore be taken for 24 or 30 CATS (determined by your home department). However, to allow flexibility, we have split our highest-level modules in French and Spanish into two part-year modules (12/15 CATS each).

**Undergraduate students:** Before enrolling it is essential to check with your home department that you can take one of our modules within your degree. Modules are free (covered in course cost) to undergraduates taking the module for CATS; those students taking a module in addition to their studies will need to pay a fee:

**£500 for full year modules (24/30 CATS)**  
**£250 for part-year modules (12/15 CATS)**

**Postgraduate students:** If you wish to study an academic module with us, you are advised to contact your department, as they may be able to offer funding to cover the cost; alternatively you can pay for the module yourself (see prices above).

**Staff:** You can pay for our academic modules using WLA vouchers:

**Full year modules = 6 WLA vouchers plus an additional £80**  
**Part-year modules = 3 WLA vouchers plus an additional £40**

Information on the vouchers, and how they can be obtained, can be found at [warwick.ac.uk/study/cll/warwickportal/wla](http://warwick.ac.uk/study/cll/warwickportal/wla)
