

# IATL MODULE INFORMATION

Studying on an IATL module gives you the opportunity to work with students and lecturers from right across the university, developing connections between ideas, experiences and practice.

[WARWICK.AC.UK/IATLMODULES](http://WARWICK.AC.UK/IATLMODULES)

In an IATL module you are not merely learning about the world, you are working with others to develop new ways of understanding it.

## IATL

### **ONLINE MODULE FAIR WEDNESDAY 9TH MARCH 12-1PM, ON MS TEAMS**

Join us for this short online information session to find out about IATL and the modules we offer. There will be a welcome from IATL's Head of Department, Professor Jonathan Heron and IATL module convenors followed by a chance for you to ask your questions.

[REGISTER HERE.](#)

### **IN-PERSON MODULE FAIR 27TH APRIL 12:30-2:30PM, FACULTY OF ARTS BUILDING**

Meet our convenors and current IATL students to find out more about the IATL portfolio of UG modules.

### **MODULE REGISTRATION**

Work with students and academics from right across the university, developing new ways of understanding the world by making connections between ideas, experiences and practice. Our modules are available to second years and above
