

Student Opportunity: Careers Update School of Modern Languages & Cultures

Final week of the year and we have our **Summer Careers Fair on Tuesday 28th June** with employers advertising internships and graduate jobs. If you are **graduating from Warwick this year**, you will find information about the resources you can still use following graduation so **you can still stay in touch!** (careers@warwick.ac.uk or c.m.halldron@warwick.ac.uk)

The careers team is still available over the summer, so you can still book into any of our appointments and workshops via myAdvantage. Whatever you have planned, I hope it's a great summer break! 😊
