

Material from the University of Warwick Archive relating to Cryfield House Farm / Cryfield in general / the Leigh family / Stoneleigh Abbey (I have highlighted the more useful and relevant material)

N.B. Before consulting the table below please read the following information which explains about the reference numbers used . These reference numbers provide contextual information about the material they refer to:

UWA/HILL relates to material which was rescued from the office of Dr Stephen Hill, Academic Director of Studies, Centre for Lifelong Learning. His work on the archaeology of Warwick's campus can be found at this address_ <http://www2.warwick.ac.uk/about/campus/archaeology/>

UWA/R relates to the papers of Warwick's Registrars.

UWA/PUB relates to the section of the University Archives which consists of University publications.

UWA/FO = Finance Office records

UWA/FICHE/REG = Microfiche of records which were originally kept by the University's Registry.

UWA/VC = Material relating to Warwick's Vice-Chancellors.

ARCHIVE REFERENCE NUMBER	DESCRIPTION OF ITEM(S)	DATES COVERED
