The title of the home Department

Global Sustainable Development (a division of the School for Cross-faculty Studies)

The Course Leader's name

Dr Katie Reeves

Contact information for the course leader and department resource account

GSD Director of Undergraduate Studies: Katie.Reeves@warwick.ac.uk
GSD Undergraduate Office: UGGSD@warwick.ac.uk

The course duration in years

3 years full-time
4 years full time for Intercalated degree

The mode of attendance and whether the course is full or part time

Full time according to Funding Council definitions

Location

University of Warwick Campus (and at a partner institution in terms 2 and 3 in year 2 if a student is taking the integrated option).

University of Warwick Campus (and at a partner institution or work placement location in year 3 of intercalated degree).

The Frameworks for Higher Education Qualifications level for the award

Degree of Bachelor of Arts and Science (level 6)

The full credit load (including the total load and breakdown at each level)

3 year degree:

Year 1 – 120 CATS

Year 2 – 120 CATS

Final Year – 120 CATS

Total credit load: 360 CATS

4 year degree:

Year 1 – 120 CATS

Year 2 – 120 CATS

Year 3 – 120 CATS

Final Year – 120 CATS

Total credit load: 480 CATS

Credit Weightings towards Final Degree Classification**3 Year Degree:**

Year 1 – 0%

Year 2 – 50%

Final Year – 50%

4 Year Intercalated Degree:

Year 1 – 0%

Year 2 – 50%

Year 3 – 0%

Final Year – 50%

Associated Exit Awards Available

Certificate of Higher Education (CertHE)

Diploma of Higher Education (DipHE)

Accreditation information, including the name of the body, the accreditation type, the link to accreditation page, information on requirements, and the duration of approval granted

The Institute of Sustainability and Environmental Professionals (ISEP) is the global professional body for individuals and organisations working and studying in sustainability and the environment. Since 2023, all of our undergraduate courses in Global Sustainable Development are now accredited by ISEP, meaning that our students receive a professionally recognised level of knowledge, skills and tools for working in sustainability practice. As a result, all current students and recent graduates are eligible for membership of ISEP.

Which modules are to be studied, separated by level of study, type of module (core, optional core etc.) and credit value identified, and if they need to be passed for progression/award

First Year

All modules taken in the first year will be FHEQ level 4 (Undergraduate Level 1). Students must register for 120 CATS in total. Overcatting and undercatting is not permitted in any circumstances.

In the first year students take modules worth 120 CATS in total of which 60 are comprised of the core GSD modules outlined below and 60 credits from Education Studies. **All the GSD required core modules and the Education Studies module EQ109** must be passed for a student to proceed to the next year of the course.

GSD Required Core Modules

Students are registered on 60 CATS of GSD required core modules:

Module Code	Module Name	CATS
GD104	Economic Principles of Global Sustainable Development	15
GD105	Environmental Principles of Global Sustainable Development	15
GD106	Social Principles of Global Sustainable Development	15
GD107	Global Sustainable Development Project	15

Education Studies Required Core Module

Students are registered on a 15 CATS Education Studies required core module:

Module Code	Module Name	CATS
EQ109	Theories of Learning	15

Education Studies Core Modules

Students are registered on 45 CATS of Education Studies core modules:

Module Code	Module Name	CATS
EQ104	International Education	15
EQ113	Sociologies of Education	15
EQ112	Introduction to the Philosophy of Education	15

To progress to their second year of study a student must pass 90 CATS *including* 75 CATS of required core modules *and* achieve a year mark of at least 40%

Second Year

All modules taken in the second year must be FHEQ level 5 (Undergraduate Level 2).¹ Students must register for 120 CATS in total. Overcatting and undercatting is not permitted in any circumstances.

In the second year, students may opt to spend terms two and three studying abroad at one of the University's partner institutions.

For students who choose to stay at Warwick for the whole of their second year:

Students must take a 30 CATS GSD optional core module and 60 CATS comprised of 30 CATS of Education Studies optional core modules and 30 CATS of optional modules offered by any department in the University which has an Education Studies focus (students should consult the Education Studies module list in the first instance).

GSD Optional Core Module

Students must choose one of the following:

Module Code	Module Name	CATS
GD204	Health and Sustainable Development	30
GD205	Security, Sovereignty and Sustainability in the Global Food System	30
GD206	Inequalities and Sustainable Development: Inclusion and Dignity for All	30

¹ The following GSD level 6 modules are the only exceptions to this rule: GD323, GD324, and GS301. Second year students are permitted to take these modules.

Education Studies Optional Core Modules

Students will take two optional core Education Studies modules:

Module Code	Module Name	CATS
EQ205	Professional Identity and Skills: Work-Based Placement	15
EQ215	Contemporary Issues in Special Educational Needs, Disability and Inclusion	15
EQ216	Analysing and Interpreting Education Policy	15

Optional Modules with an 'Education Studies Focus'

Module Code	Module Name	CATS
	Any approved second year modules offered by any department in the University which has an Education Studies focus	30

Optional Modules with a 'GSD Focus'

Module Code	Module Name	CATS
	Any approved second year modules offered by any department in the University with a global sustainable development focus except Education Studies	30

To progress to their final year of study students must pass 90 CATS *and* achieve a year mark of at least 40%

For students who choose to spend the second and third terms studying abroad at a partner institution:

Students are required to register on the module GD200 (Study Abroad Part Year) which enables the recognition of their period of study abroad. In the first term at Warwick, they must take either 'Health and Sustainable Development' (15 CATS), 'Security, Sovereignty and Sustainability in the Global Food System' (15 CATS) or 'Inequalities and Sustainable Development: Inclusion and Dignity for All' (15 CATS) plus a further 15 CAT module with a GSD focus from within or outside of the School of Cross-faculty Studies totalling 15 CATS.

Students must also select 30 CATS worth of modules offered by any department in the University which have an Education Studies focus (students should consult the Education Studies module list in the first instance).

GSD Core Module²

Students are required to register on a 60 CAT module to represent their integrated terms studying abroad:

² GD200 is not a core module for the course XL38/XL39 as such but only for students taking the integrated study abroad option.

Module Code	Module Name	CATS
GD200	Study Abroad Part Year	60

GSD Optional Core Module

Students must choose one 15 CATS term 1 GSD optional core module:

Module Code	Module Name	CATS
GD209	Health and Sustainable Development	15
GD207	Security, Sovereignty and Sustainability in the Global Food System	15
GD208	Inequalities and Sustainable Development: Inclusion and Dignity for All	15

Optional Modules with an 'Education Studies Focus'

Module Code	Module Name	CATS
	Any approved second year modules offered by any department in the University which has an Education Studies focus	30

Optional Modules with a 'GSD Focus'

Module Code	Module Name	CATS
	Any approved second year modules offered by any department in the University with a global sustainable development focus except Education Studies	15

To progress to their final year of study students must pass 90 CATS *and* achieve a year mark of at least 40%

Final Year

All modules taken in the final year must be FHEQ level 6 (Undergraduate Level 3). Students must register for 120 CATS in total. Overcatting and undercatting is not permitted in any circumstances. All students take one 30 CATS GSD required core module, 60 CATS of optional modules offered by any department in the University which has an Education Studies focus (students should consult the Education Studies module list in the first instance), and 30 CATS of GSD optional modules, which can include a 15 CATS module with a 'GSD focus' from outside of the School for Cross-faculty Studies.

GSD Required Core Module

Module Code	Module Name	CATS
GD307	Dissertation	30

Optional Modules with an 'Education Studies Focus'

Module Code	Module Name	CATS
	Any approved final year modules offered by any department in the University which has an Education Studies focus	60

Optional Modules with a 'GSD Focus'

Module Code	Module Name	CATS
	Any approved final year modules offered by any department in the University with a global sustainable development focus except Education Studies	30

To pass their final year and be considered for an honours degree a student must pass 90 CATS *including* GD307-30 *and* achieve a year mark of at least 40% *and* meet any other requirements specified by the relevant Rules for Award.

Year 3 of Intercolated Degree

Students on the intercalated degree spend the third year either studying abroad, on a work placement or taking a combination of the two activities. They are required to register accordingly on the following modules:

Module Code	Module Name	CATS
GD201-120	Study Abroad Full Year	120
GD202-120	Work Placement Full Year	120
GD314-60	Work Placement Part Year	60
GD215-60	Study Abroad Part Year	60

Providing students satisfy the requirements of their study aboard or placement year, they are permitted to progress to the final year on the intercalated degree.

Progression and award rules and requirements

Students entering in 2021/22: [Rules for Award 21/22](#)

Students entering in 2022/23: [Rules for Award 22/23](#)

Students entering in or after 2023/24: [Rules for Award 23/24](#)

Students entering in or after 2025/26 [Rules for Award 25/26](#)

Additional course costs at the course level, aligned to the principles here Additional Course Costs (warwick.ac.uk)

Students will require an IT device. Device equipment specifications:

<https://warwick.ac.uk/services/idg/about/infrastructure-operations/knowledge/recommended-it-device-specifications-for-students>

Students may wish to buy mandatory/recommended books that are nevertheless available in the Library, but this is not required. There may be module-specific costs for optional modules, and students are advised to check for any costs before registering for their modules.
