

GLOBAL SUSTAINABLE DEVELOPMENT COMPETITION

DON'T
WORRY
ABOUT
THE
FUTURE.
FIX IT.

Think creatively, gain valuable research skills and learn more about global sustainable development.

WARWICK
THE UNIVERSITY OF WARWICK

Choose one of the following questions:

1. The UN Sustainable Development Goals (SDGs) are due to expire in 2030. What would you propose to substitute the UN SDGs after 2030?
2. Considering your local area, which response(s) would you propose to achieve sustainable development?
3. Do you think possible to protect the environment and achieve economic growth at the same time?

Enter one of the following as a response:

- A 1,000 - 1,500 word essay
- A 4-minute video/podcast essay
- A photo/series of photography (taken by yourself) with a 500 word (maximum) commentary
- An artistic exploration (for example a painting, poetry, a short story or a short film) with a 500 word (maximum) commentary

The competition is open to you if you're in year 11 or 12 in the UK, or if you're a school pupil in the 15 to 17 year old age group equivalent from anywhere in the world. Shortlisted entrants will be invited to a virtual event, hosted by the University of Warwick's Global Sustainable Development (GSD) Department. Winners will be announced and each awarded a £50 voucher prize.

Deadline: Midnight, Thursday 30th May 2024

What is GSD?

The United Nations defines GSD as "development that meets the needs of the present without compromising the ability of future generations to meet their own needs". Our GSD degrees at Warwick equip our students with the expertise, skills and knowledge that enable them to contribute meaningfully to the debates about the big problems facing us today, so that they can make a real difference to the world.
