

Introduction

- Enables Fellows and Members to exchange ideas and practices across disciplines on internationalisation, from student mobility and intercultural learning to curriculum internationalisation, building on this as one of Warwick's key strengths in learning beyond boundaries.

2025/26 Highlights

- Progressed the Mapping of Warwick Internationalisation Activities project, identifying and connecting internationalisation work across the university to improve visibility and collaboration.
- Launched the Internationalisation at Warwick resource page, providing a central resource for internationalisation activities and initiatives across the institution. **The page can be accessed via the QR code on the right.**
- Delivered and linked to the Warwick International Student Experience (WISE) Masterclass, further embedding internationalisation within the broader professional development offer at Warwick. A WISE Staff Toolkit is also now available!
- Built strong cross-institutional links, including co-leads of other WIHEA Learning Circles and senior leaders on internationalisation.
- Delivered the well-attended workshop "What counts as a Global Education Opportunity? Reimagining Global Learning for an Inclusive Future" at the Warwick Education Conference alongside Debbi Marais, DPVC for International Education, generating fruitful discussion and engagement around this topic.

Looking Ahead

- Grow membership and engagement across the WIHEA Fellows community.
- Move internationalisation from mapping to university-wide engagement and impact.
- Strengthen connections with key internationalisation projects, networks, and initiatives across Warwick.
