

WARWICK SUSTAINABILITY CHALLENGE

OUTPUT GUIDE

Thank you for taking part in the Warwick Sustainability Challenge. We were absolutely delighted by the level of enthusiasm across the institution and the exemplary thinking and engagement from all teams!

Your challenge output will take the form either of a poster or a PowerPoint presentation plus a video explaining the poster/PowerPoint presentation content which needs to be submitted via the link on the project page by midnight on Friday 24 June. This is a TEAM entry!

Your poster or presentation and video should address:

- 1 Your definition of sustainability**
- 2 Your solution(s) to the challenge**
- 3 Ways to implement them in the future**

**The judging criteria for the output are:
Desirable, Feasible, Innovative, Ethical, and Holistic
Approach.**

Rules:

- Your poster needs to fit on one page
- Your power point presentation needs to be 8-10 slides
- Your video needs to be no longer than 10-15 minutes
- We recommend all project team members are involved
