Welcome to the Library

Christine Bradford

(Research and Academic Support Librarian for CIM)

UNIVERSITY OF WARWICK

About the Library

The Library spends over £6.4 million a year to maintain and grow our collection of:

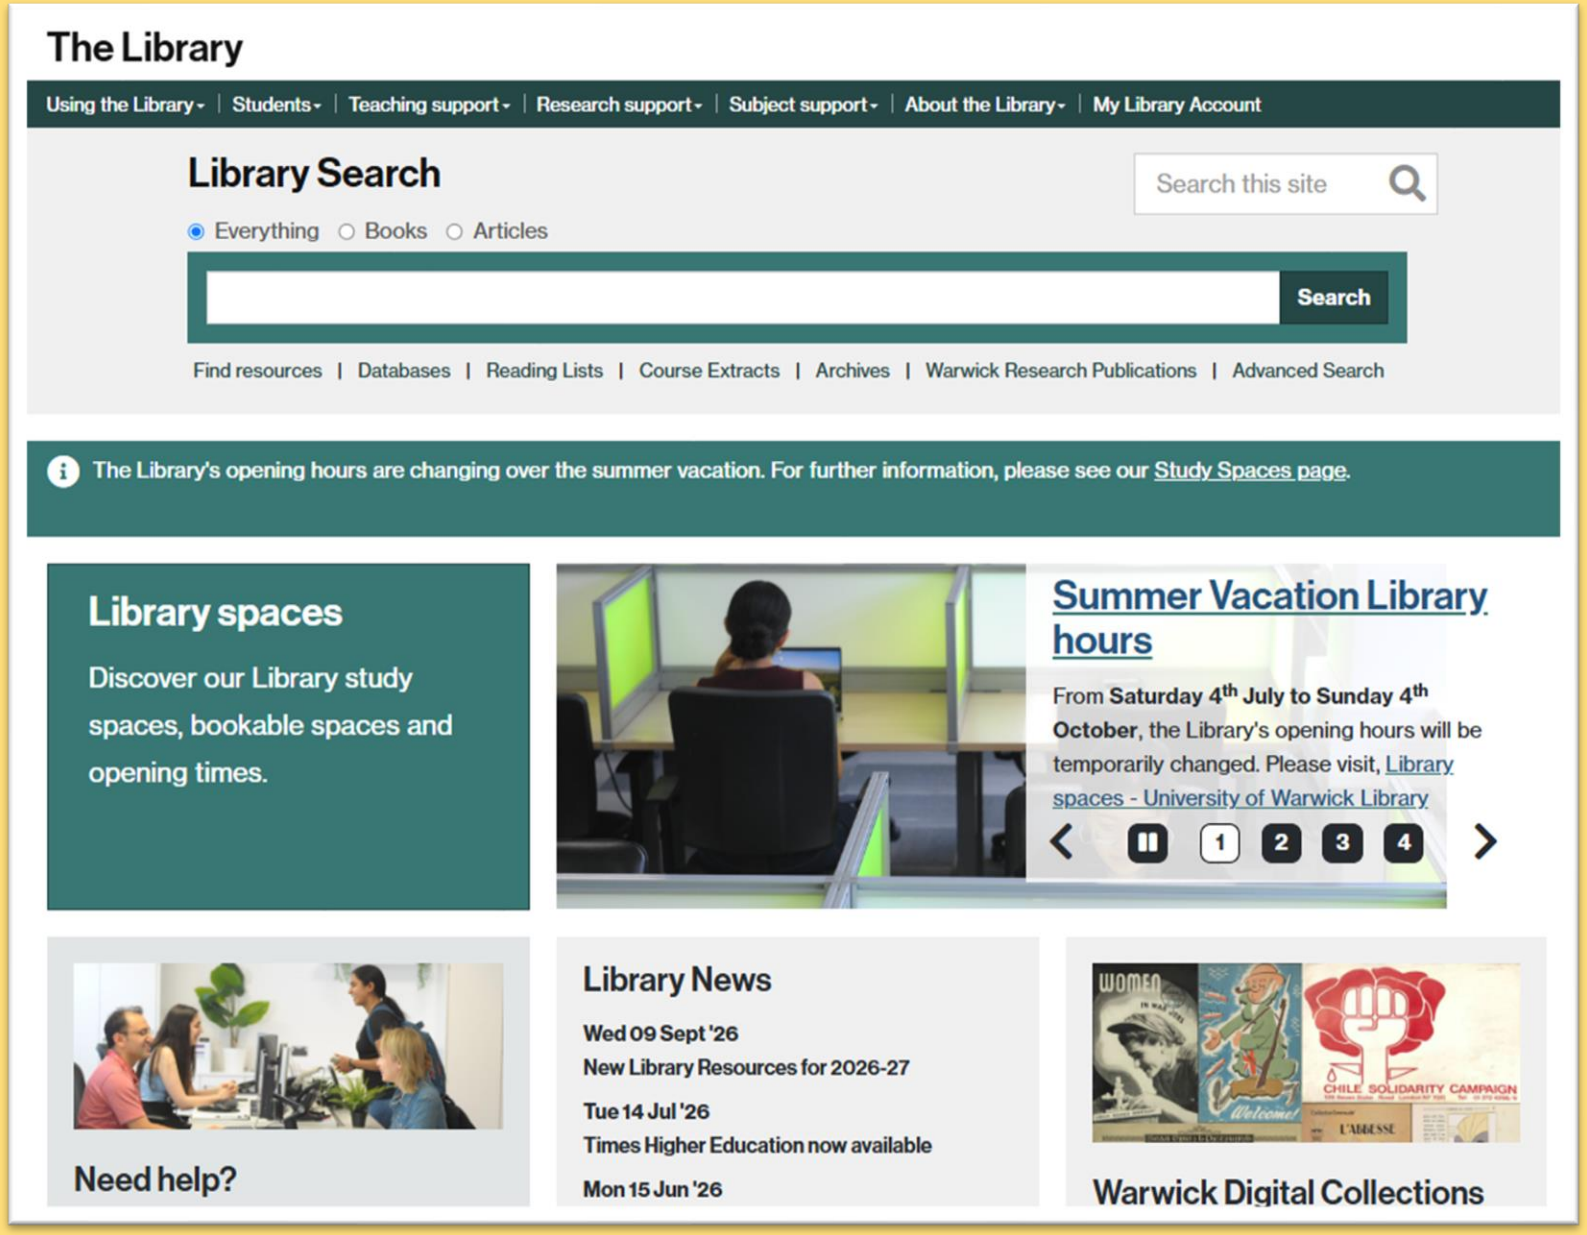

Digital resources

- Over one hundred and sixty one thousand online journals
- Over one and a half million electronic books
- Over four hundred thousand other electronic resources

Print resources

- Over one million print books
- Over twenty thousand print journals
- Over sixteen thousand metres of archives and manuscripts
- Over thirty seven thousand other resources

Library Website has details of all services and resources

Spaces - Study

Library Opening 24/7 term time

BrowZine

Virtual newsstand for journals

- Install the **BrowZine** mobile app
- Follow your favourite journals
- Alerts to new issues/articles
- Download articles to read offline

E-journals A-Z

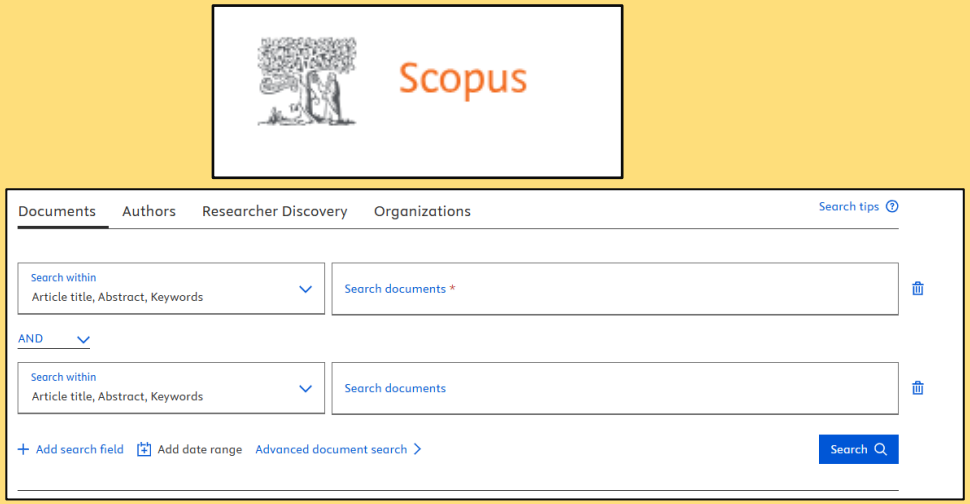

Databases wide range for systematic searching

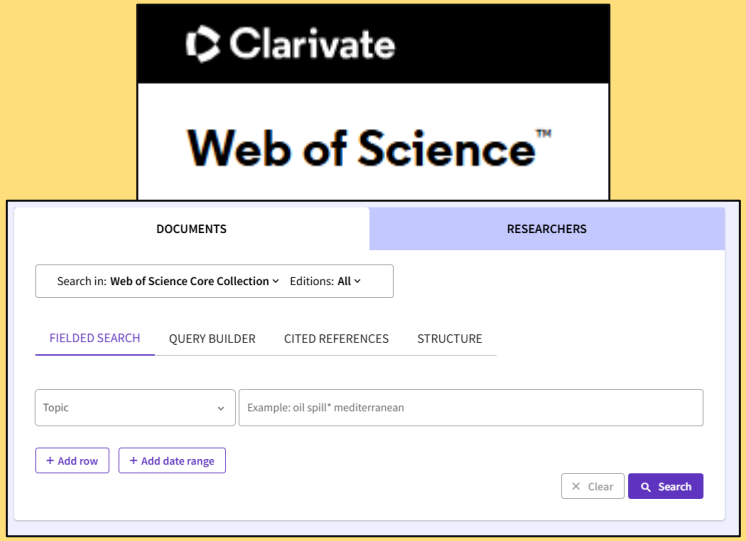

Reliable & Credible Sources:
Scholarly content reviewed by experts and publishers

Time Saving:
Search thousands of journals and articles from one place.

Specialized Content:
Databases can be focused on specific disciplines, providing access to the most relevant and high-quality information in your field. Or they can be multidisciplinary for breadth.

Advanced Search Capabilities:
Databases enable systematic seaching with Boolean operators and field-specific searches, to refine your search and retrieve precise, relevant results.

Finding newspapers

- Specialist economics & financial newspaper apps and historical archives:
  Financial Times, **The Economist**, **New York Times**
- General global newspapers current issue (**Nexis Uni**) and historical archives:
  The Times, Guardian, Telegraph, Washington Post, South China Morning Post
- Popular global newspapers and magazines via the **PressReader** app:
  Current affairs, business & finance, health, fitness & sports, hobbies & lifestyle
