11 October 2010

Dear Professor Siksek

**Reference: 81002**

Programme Committee of the London Mathematical Society has considered your request for a Postgraduate Research Conference Grant (Scheme 8) and has decided to offer a grant as outlined in the enclosed Grant Offer and Claim Form. The Society is keen to support this event. Programme Committee noticed that the conference will take place just before the British Mathematical Colloquium 2011 to be held in the University of Leicester, 18-21 April 2011, and would strongly advise that in future years, your meeting is held at a completely different time from the BMC (and the BAMC) in order that there is no danger of delegates needing to choose one over the others.

Please note that Programme Committee's budget is under pressure, and we are not always able to make awards as fully as we would like. Grant holders are urged to familiarise themselves with the general rules for the Society's grants, and the particular rules for Postgraduate Research Conference Grants, which are provided on the Society's website [www.lms.ac.uk/grants/index.html](http://www.lms.ac.uk/grants/index.html).

In connection with condition (ii) in the attached document, a notice for the *Newsletter* should be submitted to Susan Oakes ([newsletter@lms.ac.uk](mailto:newsletter@lms.ac.uk)), to arrive no later than the first day of the month preceding that in which you wish the notice to appear. If there is a website for your conference, please let Susan know the URL in order that it can be linked from the calendar of events in the online version of the *Newsletter*. Also, if you would like to write an informal report on the conference for the *Newsletter*, please contact the Editors.

As part of a new initiative, the Society will be sending all LMS-sponsored conferences membership packs, which include information about the LMS and application forms, to encourage any non-members amongst your delegates to join the Society. We would be grateful for your help in distributing these. Please could you let me know if there is a deadline by which these packs should be sent.

The grant may be claimed by completing, signing and returning the enclosed Grant Offer and Claim Form. **Please quote the above reference on all future correspondence about this grant.**

Programme Committee wishes the conference every success.

Yours sincerely

Elizabeth Fisher  
**Grants Administrator**

Enc: Grant Offer and Claim Form  
Financial and Academic Reports Form

# Postgraduate Research Conference Grant Offer and Claim Form

**Ref No: 81002**

**Please complete this form in BLOCK CAPITALS and BLACK INK**

<b>Grant holder's name and address:</b> Professor S. Siksek Mathematics Institute University of Warwick Coventry CV4 7AL	<b>Title of conference:</b> Young Researchers in Mathematics 2011
	<b>Date of conference:</b> 14-16 April 2011 <b>Amount awarded:</b> £4000

**Conditions of the award:**

- (i) The grant shall be used for the purposes stated in the application.
- (ii) The conference shall be publicised in the Society's *Newsletter*, financial support from the Society being mentioned in this and in any other publicity.
- (iii) A report on expenditure from the grant and on the academic activities supported by it shall be sent to the Grants Administrator on the enclosed form by 16 July 2011.
- (iv) Any unspent part of the grant must be returned to the Society with the above report. Remittance advice for refunds **MUST** include the grant reference number.
- (v) If a volume of proceedings is published, a copy of the volume shall be deposited in the Society's library.

**Notes:**

1. Grants may only be used to support mathematicians. Funds which are allocated for a specific purpose in condition (i) may not be used for other purposes. Support for research students is for those studying at universities in the UK, who do not have other means of support
2. The grant may be claimed no earlier than three months prior to the date of the conference and no later than 16 July 2011. When claiming after the event, this form must be accompanied by the financial and academic reports.
3. The London Mathematical Society considers it to be the responsibility of the body (the institution) to whom the grant is paid to check receipts in accordance with its normal financial procedures. If for any reason this does not happen, for example if the grant in exceptional circumstances is not paid through the applicant's institution, then receipts should be submitted with the financial and academic reports.

**I accept the conditions of the grant as notified above and confirm that the amount claimed has been/will be used fully and solely in accordance with the conditions of the award.**

<b>Signature of grant holder:</b>	<b>Name of grant holder:</b> Professor S. Siksek
	<b>Date:</b>

<b>Details of person to whom the cheque should be sent (if <u>not</u> grant holder):</b>	<b>Amount claimed: £</b>
	<b>The cheque should be made payable to</b> (please note normally this should be the grant holder's University or University Department):

**Please return this form to:**  
 Mrs Sylvia Daly, Grants Administrator, London Mathematical Society, De Morgan House, 57-58 Russell Square, London WC1B 4HS. Tel: 020 7291 9971, email: [grants@lms.ac.uk](mailto:grants@lms.ac.uk)

Personal data provided on this form may be held and processed on the Society's computer. A summary of the Society's data protection policy, including the rights of subjects upon whom data is held, is obtainable from the Administrator.
