

Centre for Complexity Science Schedule for 24th- 28th September 2012

Teaching for MSc modules starts on Monday 1st October 2012 at 10.00am, but the academic year for our Centre is preceded by an induction and training week for new students. It is important you arrive for your study on or before the 24th September 2012.

Date	Time	Event	Venue
Monday 24th September 2012	09:00-14:00	Collect ID Card and Student status letter for bank account if needed.	Student Helpdesk Ground Floor, University House
	15:00-16:00	Director's Welcome Compulsory for all new students	D1.07- Complexity Science, Zeeman Building
	16:00 onwards	Meet and Greet reception	Complexity Science Common Room, Zeeman Building
Tuesday 25th September 2012	10:00-10:30	Training Course- Compulsory for all new students	D1.07- Complexity Science, Zeeman Building
	10:30-17:00	Introduction to Computing Training-MATLAB- Compulsory for all new students	
Wednesday 26th September 2012	08:30-12:00	Erasmus Mundus M2 students M1 Project Presentation Videoconference	P5.23- Physics Building Attendance compulsory for all Erasmus Mundus Masters students, M1 and M2
	13:00-17:00	DTC MSc Project presentations	D1.07- Complexity Science, Zeeman Building- Compulsory for all new students
Thursday 27th September 2012	10:00-17:00	Introduction to Computing Training-session 2 Compulsory for all new students	D1.07- Complexity Science, Zeeman Building
	17:00	Drinks reception for completing DTC MSc students (2011 intake)	Complexity Science Common Room, Zeeman Building- All Welcome
Friday 28th September 2012	14:00-17:00	Joint DTC Team Development Training Compulsory for all new students	Cryfield Pavilion
	18:00 onwards	Welcome and Celebration Party	Grad Deck, Scarman Road.
Wednesday 3rd October 2012	14:00-17:00	Introduction to Computing Training-High Performance Computing- Compulsory for all new students	D1.07- Complexity Science, Zeeman Building
