

## CALL FOR PAPERS

### 6<sup>th</sup> Midlands Graduate School ESRC Student Conference

University of Warwick 4<sup>th</sup> July 2018

The 6<sup>th</sup> Midlands Graduate School ESRC Student Conference is a one-day event, which will be held at the Radcliffe – Warwick Conferences, University of Warwick, Gibbet Hill Road, Coventry, CV4 7AL. Please see the following website for directions: <https://warwick.ac.uk/services/conferences/location/>

The theme of the conference is 'The Future of Social Science research.' Therefore we encourage papers to be reflective about how their research represents the future of social science. However, we welcome submissions from all areas of the social sciences and look forward to a broad range of exciting research being presented.

The organising committee at the University of Warwick invites submissions for presentations from ESRC funded postgraduate researchers from the Universities of Warwick, Birmingham, Nottingham, Leicester, Loughborough and Aston. The conference will also offer an excellent opportunity to meet fellow researchers from other institutions who are working in similar disciplines, and to share ideas, experiences and advice.

You are invited to submit abstracts for consideration as either short presentations or for a poster presentation. Abstracts should be 250 words maximum and submitted to [esrcdtp@warwick.ac.uk](mailto:esrcdtp@warwick.ac.uk). **The deadline for submission is 17<sup>th</sup> June 2018.** Abstracts will be reviewed by the Committee and notification of acceptance will be sent out by **23<sup>rd</sup> June 2018**. A travel bursary (maximum of £50) will be reimbursed for those presenters from the Universities of Birmingham, Nottingham, Aston, Leicester and Loughborough.
