WARWICK

PathLAKE Masterclasses 2021

AI for Pathologists

Tues 18th May & Thurs 20th May (1.30-5.45pm)
via Zoom invitation

Building on the success of Jan 2020 Masterclasses on "Data Science for Computational Pathology", this second series of PathLAKE Masterclasses will focus around the theme of AI for pathologists with researchers, practitioners and industry specialists providing cutting-edge training on AI and related concepts as well as showcasing some of the latest developments in the area of computational pathology.

Registration closes on 13th May:
https://warwick.ac.uk/PathLAKE/Masterclasses

The Royal College of Pathologists: **8 CPD points approved**
