

Academic Technology Service Updates

- **Moodle upgrade**
3.8 > 3.10: Monday 12th July from 7am
Moodle could be unavailable for the entire day
- **Moodle display issues (23/06-28/06)**
Now fixed. This was due to a problem with a HTML filter in Moodle
- **Mahara upgrade planned for 27th July**
- **Microsoft Stream:** Microsoft plans to replace Classic Stream with a New Stream (SharePoint/OneDrive based). *Warwick has applied for an extension to the current service. Updates to follow no change in the short term*

Service Updates

- **During the summer:**
*New AcTech guides will be published
& term 1 training sessions scheduled*
- **Asynchronous** self-study courses (*search by name in Moodle*):

Introduction to Vevox
