[Philosophy and Mathematics in the work of Bernard Bolzano]

An asterisk indicates an abstract (or at least a title) has been submitted, or an invited paper and title has been agreed; space on the programme is being allocated for all such contributions. Please let me know any inaccuracies, or amendments. There is no space for further papers to be presented. However, anyone with serious interest in Bolzano and his work is very welcome to attend any of the sessions. (Note the venue changes at Saturday lunchtime, and on Sunday.)
