

UNIVERSITY OF WARWICK

Schools Computing Workshops in the Department of Computer Science, University of Warwick.

Student Event on Saturday 15th July

The Workshop for school students is taking place three times in the day.

It is at 10.15 – 12.00, at 13.15 – 14.00 and at 15.45 – 17.30. There will be a short break for refreshments half-way through the Workshop. Further information is at the website go.warwick.ac.uk/em/construit/conference/workshop

It is the same Workshop each time. Students can only attend once and must register in advance to book their place for the time of their choice. Places will be allocated on a ‘first come, first served’ basis. If a student is offered a place (by email) they must confirm by email that they accept the place (which may not be at the time originally chosen).

There might be a high demand for places and in case they become fully booked (15 student places for each Workshop) we hope to make a ‘virtual Workshop’ available online in the following week.

We ask students who are under 18 on 15th July to obtain permission from a parent or guardian – as below - and bring this whole signed form to the Workshop.

Thank you !

Steve Russ and Meurig Beynon
(Workshop Organisers)

=====

I hereby give permission for [*name of Workshop participant*] to attend the Student Workshop at the University of Warwick on 15th July.

Signed: [*parent or guardian*]

Date:
