

ENHANCE Community Service Course - FAQs

1. What is the purpose of the community service course?

The community service course aims to provide participants with an opportunity to give back to society and make a positive impact on the community. Through hands-on experiences and collaborative projects, participants will develop valuable skills, empathy, and a deeper understanding of social issues.

2. Who can participate in the community service course?

The community service course is open to students of all backgrounds, and experience levels (undergraduate or postgraduate) who are passionate about making a difference. You are welcome to join us and contribute your unique skills and perspectives.

3. What types of community projects will be undertaken during the course?

Throughout the course, participants will engage in a variety of community projects, such as environmental conservation initiatives, education support programs, healthcare outreach, and social welfare activities. The projects are carefully selected to address the needs of the local community and create a meaningful impact.

4. How long does the community service course last, and what are the dates for the upcoming sessions?

The community service course typically runs for 6-8 weeks, with a flexible start date to accommodate different schedules. For a program timeline, please refer [here](#) or contact our team.

5. Will there be any training or orientation before starting the community projects?

Yes, before embarking on the community projects, participants will receive a number of comprehensive training and orientation sessions. These sessions will cover project guidelines, safety protocols, cultural sensitivities, and the specific skills required for each project.

6. Are there any language requirements to participate in the course?

While proficiency in the local language can be beneficial, it is not a strict requirement for participation. The course instructors and coordinators will ensure effective communication and support for all participants, regardless of language proficiency.

7. What is the accommodation arrangement during the course?

We provide comfortable and safe accommodation for all participants. Accommodations may vary depending on the location of the community projects, but we strive to offer a conducive environment for rest and reflection after a day of community engagement.

8. Is there any financial assistance or scholarship available for the course?

We understand the importance of making the course accessible to as many people as possible. We offer financial assistance and scholarship opportunities based on individual circumstances and availability of funds. Please reach out to our team for more information on the application process.

9. How can I apply for the community service course?

If you are an engineering student in one of our partner institutions, UGM, ITB, or UB, reach out to your Faculty Tutor directly to express your interest and get involved in this life-changing experience. If you are an international student, fill in the ENHACE Contact us form and our team will reach out to you.

10. Can I participate in the course remotely or virtually?

Currently, the community service course requires physical presence to ensure active involvement in the community projects. However, we are continuously exploring ways to incorporate virtual components and remote engagement in the future.
