**For the first time ever**, TEDxWarwick is hosting a dynamic **virtual conference**. Global speakers, diverse topics, a fluid timetable - all **free of charge**.

**About** : Revival 2021 is a collection of online TEDx talks exploring the challenges we face today. We understand the heavy impact that COVID-19 has had on lives and as such, our online series aims to host speakers with uplifting, inspirational and innovative visions of a brighter future.

New TEDx talks will be published weekly as well as interviews, exclusive Q&A sessions and more. A calendar is also available on our website for you to keep updated with upcoming events.
