This is the main text of the **extended abstract**. The text font must be Arial 11 pt. Use **portrait letter size format** with top, bottom, left, and right **margins of 2.5cm**. The title of the abstract must be in Arial 14 pt and centered at the top of the page. Below the title, leave a blank line formatted with Arial 12 pt. The authors' names, affiliations and corresponding author's email address must also be in Arial 12 pt and centered on the page. The name of the presenting author must be underlined. This block is followed by two blank lines formatted with Arial 11 pt after which the main text starts.

The first paragraph of the abstract is not indented. In all subsequent paragraphs, the first line must be indented 4 spaces from the left margin.

The abstract must have a **maximum of 500 words for papers/symposia/workshops and maximum 200 words for posters** with a maximum size of 2 Mb, including references and maximum of 1 figure (no tables). Please ensure that all the text in your figures is large enough to be clearly read. It is highly recommended that you use the figure caption style shown in Fig. 1. Coloured figures are encouraged. **If your file is too large, you should reduce the resolution of the images.**

Please note: there will be no printed version of the abstracts of the conference. A USB will be provided and only a short programme booklet will be printed and distributed to the participants.

Citations must be included as [1] or [2-4]. The reference list must be formatted as shown below. Any acknowledgments must follow the main text and precede the reference list. The abstract must be submitted as an Adobe Acrobat pdf file. All submissions must be made in English via our online portal <https://advam.lnx.warwick.ac.uk/icwes18/index.php> where you will first be asked to register. After submission you will receive an email confirmation.

Until the deadline of 30 September 2020, you can access and edit your abstract data and modify them (order of listed co-authors, presenting author, topic of abstract, preference of presentation, etc.) and also upload a revised version of your abstract. After the deadline, no modification will be possible. Your abstract will be sent to reviewers and you will be notified by 11 December 2020.

If you encounter any problem or have any question concerning the abstract submission process, please do not hesitate to contact us via email: ICWES18@warwick.ac.uk
