Structuring a Mentoring Conversation

| С | Context | What do you want to work on today? What would be a good outcome from this session? How challenging do you want me to be today? |
|---|---------|--|
| L | Listen | What are the 3 things at the forefront of your mind now? What is the present situation? What have you done so far? |
| E | Explore | What are the different ways that you could approach the issue? What other things could you do? What might someone you admire do? What else? |
| Α | Action | Which option(s) do you choose to <u>take action</u> on? Will this give you what you want? How will you know whether it has succeeded? |
| R | Review | What obstacles do you have to overcome? What support do you need, and from whom? What will be different? |

Reflection

What action do you need to take in order to improve your mentoring skills?

When will you take that action?

What help & support do you need?

How will you know you have been successful?
