Postgraduate Research Information Including - Postgraduate Student Handbook	Postgraduate Research Students (warwick.ac.uk)
Life Sciences Intranet Important department information and news	School of Life Sciences, University of Warwick
Postgraduate Certificate in Transferable Skills The Postgraduate Certificate in Transferable Skills (PGCTS) is an accredited qualification	Postgraduate Certificate in Transferable Skills (warwick.ac.uk)
Attendance Monitoring The School of Life Sciences is required to monitor student attendance and engagement with their studies.	Attendance and Progress Monitoring (warwick.ac.uk)
Progress Monitoring for PhD and MSc by research students Each student receives an email when they start their degree detailing the members of their Advisory Panel and their report submission dates. The function of the Advisory Panel is to assess formally the suitability of the project for a higher degree and to review your progress with it, offering you advice as required.	PhD Monitoring (warwick.ac.uk) and MSc by Research Monitoring (warwick.ac.uk)
Doctoral College The Doctoral College provides practical support for research students including PGR Development, PGR Finance and Scholarships and Research Degree Examinations. On these pages you can access guidance on the expectations of research students, supervisors and examiners.	Warwick Doctoral College
Careers – Student Opportunity The Careers Team is here to help you every step of the way, from exploring options to getting a job. Careers arrange a range of events throughout the year. Links to book events are provided here.	Student Careers (warwick.ac.uk) and Events (warwick.ac.uk)
