

School of Life Sciences

PhD and MSc by Research Induction

Monday 30 September 2024			
10:00		Arrival - SLS Main Reception	Nikki Glover
10.15	BSR1	Refreshments	
10.20 – 11:30	BSR1	Introduction to Research Study, Training and Administrative Requirements in the School of Life Sciences	Prof Chris Corre Director of Postgraduate Research
		Introduction from the Postgraduate Tutor	Dr Ryan Mushinski Postgraduate Tutor
		Introduction from the Head of School (11:30)	Prof. Miriam Gifford Head of School
11:30 – 12:00	BSR1	Postgraduate Certificate in Transferable Skills in Science	Dr Dan Franklin and Louise Hockenhull
12:30 – 12:50		Tour of Gibbet Hill	Nikki Glover
13:00	PGR Hub – A117	Lunch provided	
15:00 – 17:00	ICL Suite	Collection of MacBook and MacBook registration	Jordan Ladley/ Chet Mistry
Tuesday 1 October 2024			
11:00 – 12:00	Online - Teams	Introduction to Technical Support team & Laboratory Induction Session	Technical Support Team
BSR1 available			
13:00 – 14:00	Online - Teams	Professional / Researcher Development and using SkillsForge	Luana Tavano Garcia
BSR1 available			
Wednesday 2 October 2024			
10:00 onwards	GLT4	Room available	
12:30	GLT4	Lunch provided	
13:00	GLT4	Graduate Teaching assistant opportunities	Emma Picot
13:15	GLT4	Ambassadors for Better Research Culture	Amy Godfrey
13:30 - 13.50	GLT4	Student Experience	Sam Wilson-Thain
13:50 – 14:10	GLT4	Careers	Jo Pearson
14:10 – 14:40	GLT4	Wellbeing Report and Support	Miriam Reddy Sussie Cleverly
14:45 – 15:15	GLT4	<u>Research Technology Platforms</u> Bioinformatics RTP Proteomics RTP BioSRLs Scientific Computing RTP Advanced Bioimaging	Sascha Ott Andrew Bottrill Sarah Bennett Pip Grylls Corinne Smith

School of Life Sciences

PhD and MSc by Research Induction

Thursday 3 October 2024			
10:00 - 12:00	BSR1	Resources and Services and EndNote training	Samantha Johnson
PM		Time with Supervisor	
Friday 4 October 2024			
		Time with Supervisor	
Wednesday 9 October 2024			
10:00 – 10:45	GLT4	Health and Safety induction	Ian Graham Mary Bagnall
11:00 -12:00	GLT4	Laboratory Awareness Session (week after)	Technical Support Team
12:00 - 12:20	GLT4	Media Preparation Prep Room and Autoclaving	Cerith Harries Rosie Janjua
Essential Training			
Health and Safety PGR		Health and Safety - PGR Induction (warwick.ac.uk)	
Fire Safety		Course: Health and Safety - Fire Safety (warwick.ac.uk)	
Unconscious Bias		Course: An introduction to Unconscious Bias (warwick.ac.uk)	
Racial Bias		Understanding Race Bias (warwick.ac.uk)

For PhD - Postgraduate Certificate in Transferable Skills The Postgraduate Certificate in Transferable Skills in Science (PGCTSS) is an accredited qualification	Postgraduate Certificate in Transferable Skills (warwick.ac.uk)
For MScR - Postgraduate Award in Transferable Skills The Postgraduate Award in Transferable Skills in Science (PGATSS) is an accredited qualification	Postgraduate Award in Transferable Skills (warwick.ac.uk)

School of Life Sciences

PhD and MSc by Research Induction

<p>Attendance and Progress Monitoring</p> <p>The School of Life Sciences is required to monitor student attendance and engagement with their studies. We have incorporated this monitoring into our procedures for monitoring of academic progress. More detail can be found in the link given.</p>	<p>Attendance and Progress Monitoring (warwick.ac.uk)</p>
<p>Monitoring for PhD and MSc by research students</p> <p>Each student receives an email when they start their degree detailing the members of their Advisory Panel and also their report submission dates. The function of the Advisory Panel is to assess formally the suitability of the project for a higher degree and to review your progress with it, offering you advice as required.</p>	<p>PhD Monitoring (warwick.ac.uk)</p> <p>and</p> <p>MScR Monitoring (warwick.ac.uk)</p>
<p>Doctoral College & Virtual Welcome Events</p> <p>The Doctoral College provides practical support for research students including PGR Development, PGR Finance and Scholarships and Research Degree Examinations.</p> <p>On these pages you can access guidance on the expectations of research students, supervisors and examiners.</p> <p>The Doctoral College will be holding an in person Welcome event on 22 November 2023 PGR Sign up here.</p>	<p>Warwick Doctoral College and Welcome Events and Resources (warwick.ac.uk)</p>
<p>Careers – Student Opportunity</p> <p>The Careers Team is here to help you every step of the way, from exploring options to getting a job.</p> <p>Careers arrange a range of events throughout the year. Links to book events are provided here.</p>	<p>Student Careers (warwick.ac.uk) and Events (warwick.ac.uk)</p>
