Uniform in type

Uniform in type

Uniform in type

Uniform in type

7.4.14 Not uniform in type some of them 3 some of them 4

The color of the core is not uniform sometimes lighter sometimes darker.

The color of the core differ between light and dark

Nantestype

7.4.7 very obtriangular, difficult to estimate the diameter

The core differ very much this which cause problems to estimate the color and the size

7.4.14 Obtriangular Nantes

Regenerated 2001 The rest of the results will be presented 2002
