

Mathematics alumni & employer careers event

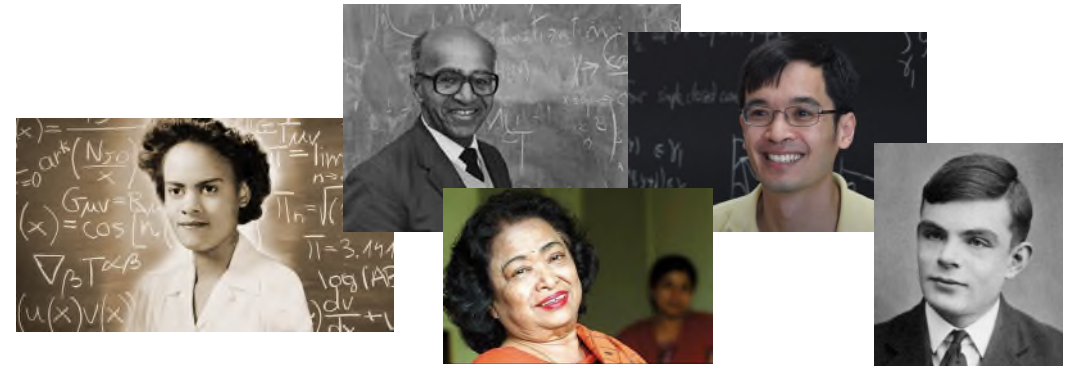

'The Street' Zeeman building Friday October 18th

CALL IN ANYTIME BETWEEN 1.00-3.30pm

Speak to Warwick graduates & employers to find out more about just some of your career options with a Degree in Mathematics...

Get advice and information on careers in: Investment management, Actuarial science, Data science, Quantitative analytics, Software, Cyber security and more...

Also, get your CV checked, find out more about the undergraduate research support scheme (URSS) & the Warwick Award...

'Everyone has to start somewhere...'
