

WARWICK
MATHEMATICS INSTITUTE

Higher Dimensional Birational Geometry

Wednesday 16 - Saturday 19 June 2010

Organiser: Miles Reid (Warwick)

CHEN Meng and Yuri Prokhorov will both visit Warwick for 2 weeks (Thu 10 - Thu 24 June 2010). The workshop will include talks on explicit geometry of Fano 3-folds and 3-folds of general type in weighted projective space, together with material on algebraic geometry and the HD MMP more generally.

For further information, contact Miles Reid: Miles.Reid@warwick.ac.uk

Participants:

Gavin Brown (Loughborough)
CHEN Meng (Fudan, Shanghai)
Ivan Cheltsov (Edinburgh)
Alessio Corti (Imperial)
Stephen Coughlan (Bayreuth)
Adrien Dubouloz (Dijon)
Jürgen Hausen (Tübingen)
Stéphane Lamy (Warwick)
Vlad Lazic (Max Planck Inst., Bonn)
Timothy Logvinenko (Warwick)
Diane Maclagan (Warwick)
Francesco Polizzi (Calabria)
Yuri Prokhorov (Moscow)
Miles Reid (Warwick)
