

MA124 Mathematics By Computer

Assignment cover sheet

Instructions to students

- Complete all of the details required below
- Staple this cover sheet to your solutions and ensure that there are no loose pages
- Submit your assignment to the drop-box outside the mathematics undergraduate office B0.01
- If you have worked as a pair, submit only one copy of the assignment between you (not one each) and include both students' details on the cover sheet.

I (we) declare that all material in this assignment is my (our) own work and I (we) have complied and agreed to the Mathematics Department's statement on plagiarism which can be found at <http://www2.warwick.ac.uk/fac/sci/math/undergrad/ughandbook/course/crime/>

I (we) certify that this assessment item has not been submitted previously for academic credit in this or any other course. I (we) certify that I (we) have not given a copy or have shown a copy of this assessment item to another student enrolled in the course.
