

6th Warwick-Wellcome Quantitative Biomedicine Symposium

Multiscale Force Sensing and Transduction in Biology

17 and 18 June 2021

Virtual Symposium, University of Warwick

Iva Tolić

Ruđer Bošković Institute,
HR

Alexis Lomakin

Children's Cancer
Research Institute, AUT

**Franziska
Lautenschlaeger**

University of
Saarland, GER

Ruth Baker

University of
Oxford, UK

Celeste Nelson

Princeton University, US

Benoît Ladoux

Institut Jacques Monod, FR

Jérôme Solon

Centre for Genomic
Regulation, ESP

Maja Matis

University of Munster,
GER

Marco Fritzsche

Kennedy Institute for
Rheumatology, UK

Ed Munro

University of Chicago, US

Michel Labouesse

Institut de Biologie
Paris Seine, FR

Yanlan Mao

University College London,
UK

Organisers: Darius Köster and Michael Smutny
