

Healthy volunteers needed for research study!

Are you interested in helping out for a research project run by the university of Warwick?

We need volunteers who are not taking any medications, are not diabetic or have rheumatoid arthritis. The study will take place at University Hospital Coventry, and involve:

1. Initial screening phone call to check eligibility (5 minutes)
2. Two blood samples, up to 10 ml each, from your arm (30 minutes)
3. £50 voucher to thank you for your time and travel

Interested? Visit <<<__insert weblink__>> for more information.

Still interested? Email us at ATM@warwick.ac.uk to register

Thankyou!
