

## Reminders and Updates

- We have **2 months** left to recruit patients into DRAFFT.
- The agenda for the joint collaborators meeting on the **27th September** has now been circulated and official invitations will follow in the post shortly.
- Congratulations to the teams at **Wansbeck, Wexham** and **Addenbrookes** who are the only 3 centres to treat **ALL** DRAFFT patients with the **allocated** intervention.

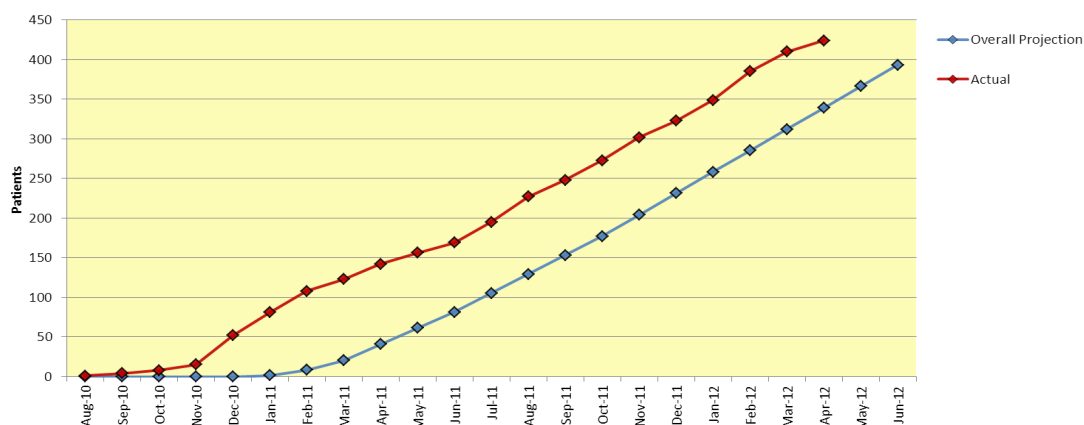

## Recruitment & Follow-up

April saw us recruit only **14** patients and gives us a total of **424** participants to date.

Congratulations to all centres that managed to recruit a patient this month.

**148** patients have reached their **12 month** time point and we have received **132** questionnaires (89%) and **90** (60%) images to date.
