

Recruitment Update

In September we recruited **21** patients and by the end of the month had a total of **248** participants.

Well done to the team at **John Radcliffe** who managed to recruit **7** patients. Congratulations also to all centres that recruited a patient in particular **Blackburn** and **St Thomas'** and welcome on board to **Wexham Park** who will open for recruitment this month.

A quick note.....

The DRAFT team look forward to seeing many of you on the **20th October** at our first **collaborators day**. You will receive a letter in the post shortly to confirm the agenda and location and an expense form will be handed out on the day.

If you would still like to join us and have not yet confirmed your place please contact Jaclyn.
