

**A randomised controlled trial of percutaneous fixation with Kirschner wires versus Volar locking-plate fixation in the treatment of adult patients with a dorsally displaced fracture of the distal radius.**

## Follow-up update

CRFs	Returned	%
Screening Logs	23/23	100
Baseline CRF Booklet	92/97	95
Baseline & 6 week Images	92/97	95
12 month Images	50/69	72

**University Hospital Coventry and Warwickshire** recruited **100** patients into the DRAFFT study.

The table to the left shows how many items have been returned from what is due from your centre.

All screening logs, CRF booklets, outstanding queries and baseline/6 week images are due

Patient Questionnaires	Returned	%
3 month questionnaires	89/93	96
6 month questionnaires	82/89	92
12 month questionnaires	64/68	94

This table to the left shows how well your patients are returning their questionnaires.

Follow up rates are good and by the end of September all of the 3 month questionnaires across all centres will be due and we will know our follow up rate for this time point.

## Screening

To the right you can see how many patients you screened at **UHCW** over the **23** months you were open for recruitment.

This highlights how much work your whole team put into DRAFFT even when patients weren't recruited.

We acknowledge and appreciate all this effort.

Screened	Ineligible	Unwilling	Recruited
851	721	30	100

We would like to thank you for returning all of your screening logs

## Reminders

- We have a few limited spaces available on the **NIHR Trials in Orthopaedic Trauma day** on 27th September. The agenda includes updates on the AIM, DRAFFT and WOLLF trials, a session on future trials and sessions from guest speakers including Professor Sallie Lamb, Professor Jagdeep Nancharal and Professor Amar Rangan. If you would like to book one of the final places please contact Jaclyn, asap on [Jaclyn.Brown@warwick.ac.uk](mailto:Jaclyn.Brown@warwick.ac.uk) or 02476 151 386. Please note these will be allocated on a first come first serve basis.
- The deadline for all screening logs, CRF booklets and outstanding queries to be resolved and returned to us at the coordinating centre by the **28th September**. If you are attending the meeting on the 27th please feel free to bring these along with you.
- Newsletters will now be sent bi-monthly to keep you updated on the follow up rates.
