

SPOOKY NEWSLETTER

Issue: October 2024

Edition 8

Welcome to the 8th iRehab trial newsletter of 2024. Previous newsletters can be found on our [website](#).

Message from the Trial Managers

- ◆ Please remember to register with API **before** doing any work and not **after**.
- ◆ The team was successful in obtaining an extension from the NIHR. Recruitment will now end 30th April 2025, and the end of the trial will be 31st January 2026.

Happy Halloween

iRehab Lunchtime Drop-in Session

Monday 4th November @ 12pm

Please join us for our November drop-in session.

Have a think about what questions you have for the Team.

INTERESTING FACTS SO FAR...

- 2885** Patients screened.
- 348** Randomisations.
- 11** patients registered awaiting baseline data collection before randomisation.
- 715** Sit to Stand tests.
- 35** TMG meetings.
- 81%** of overall target.

**** THANK YOU ****

To sites that provided APACHE II Scores.

REMEMBER : You can register patients without these scores and mark them as unobtainable as we need registration forms to be 100% complete. You can add the scores in at a later date.

On 12th November Version 8.0 of the protocol will come into effect at sites which haven't acknowledged the amendment yet. This has been sent to your site as part of NSA 28.
