Dear [XXX]

**Re: Paramedic Analgesia Comparing Ketamine and Morphine in trauma: PACKMaN**

We are sending you this letter because you were taken to hospital after being injured and the Ambulance Service who treated you is taking part in a clinical trial. Please find enclosed an information leaflet explaining about this study.

Your experience of your injury and treatment is invaluable to the trial and may help to determine treatment for patients in the future.

We would like the opportunity to discuss this trial with you in more detail. A member of our trial team [local Research Paramedic name] (details below) is available to answer any questions you may have. Please could you use the reply slip enclosed to indicate if you want to hear more or opt out of further follow up.

Yours sincerely,
