HI <<NAME>>

PLEASE COMPLETE YOUR **6 MONTH** QUESTIONNAIRE!

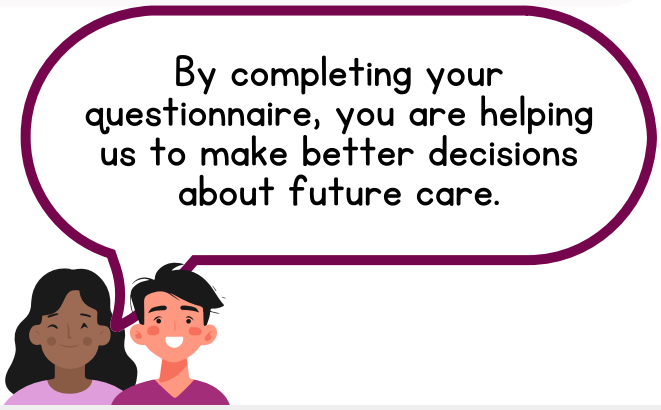

Why are you receiving this?

Unfortunately, we have not yet received your completed 6 month questionnaire.
This is your final reminder letter.

We would like to know about your **RIGHT/LEFT** knee.

Why your responses matter:

We want to find out which treatment works best for people with recurrent kneecap dislocations - **we need your answers to help us do this.**

It will only take about 10 minutes!

How to complete your questionnaire:

You can choose your preferred method:

Return by post:
Use the **pre-paid envelope** provided - no stamp needed.

Complete this online:
Scan here to complete your questionnaire. Your Trial Number is **XXXX**

Use the My Recovery App:
Search '**myrecovery'** in your App store. Contact us for your invitation email and 6-digit PIN code.

By phone:
Contact us to arrange a time that suits you.

UNSURE HOW TO ANSWER ANY OF THE QUESTIONS?

Please contact us via the details at the top of this letter and we will be more than happy to help you.

Your next follow-up questionnaire will be due in six months' time. The information you provide will help us to improve patient care in the future.

Thank you again for your continued support with the REPPORT study.

This study is funded by the NIHR [Health Technology Assessment (HTA) Programme (HTA Project: NIHR134398). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.

HI <<NAME>>

PLEASE COMPLETE YOUR **12 MONTH** QUESTIONNAIRE!

Why are you receiving this?

Unfortunately, we have not yet received your completed 12 month questionnaire.
This is your final reminder letter.

We would like to know about your **RIGHT/LEFT** knee.

Why your responses matter:

Your questionnaires help us see which treatment works best. **Even if you have finished your treatment, haven't had this yet, or decided not to have it, your answers are just as important!**

Your responses help us to understand which treatment works best!

It will only take about 10 minutes!

How to complete your questionnaire:

You can choose your preferred method:

Return by post:
Use the **pre-paid envelope** provided - no stamp needed.

Complete this online:
Scan here to complete your questionnaire. Your Trial Number is **XXXX**

HI <<NAME>>

PLEASE COMPLETE YOUR **18 MONTH** QUESTIONNAIRE!

Why are you receiving this?

Unfortunately, we have not yet received your completed 18 month questionnaire.
This is your final reminder letter.

We would like to know about your **RIGHT/LEFT** knee.

Why your responses matter:

Your answers will help us improve care for future patients.
Wherever you are in your treatment journey, we still want to hear from you!

Your answers at 18-months are a key part of the study, and it is especially important that you complete these!

It will only take about 10 minutes!

How to complete your questionnaire:

You can choose your preferred method:

Return by post:
Use the **pre-paid envelope** provided - no stamp needed.

Complete this online:
