Message from CI

A big **THANK YOU** to everyone for your hard work and continued contributions to the SIS trial!

We're delighted to welcome **North West Ambulance Service** to the SIS trial! So far, we have opened three ambulance services and 23 trauma units, and a total of 510 participants have been enrolled into the trial.

Let's keep up the momentum - your dedication is what drives the success of this important research!

News & Reminder

- **Current version:**
 - Protocol version 6.0 dated 18Jul2024
 - Adult PIS version 2.0 dated 25Oct2023
 - Parent/Guardian PIS version 2.0 dated 25Oct2023
 - Young Person's PIS version 1.0 dated 24Oct2022
 - Patient Consent Form version 3.0 dated 12Jan2023
 - Parent/Guardian Declaration Form version 1.0 dated 13Oct2022
 - Consultee Declaration Form version 2.0 dated 20Dec2022
- **Primary endpoint:** Total Functional Independence Measurement motor (FIM-motor) score at discharge.
- **Consent process:** Please remember to consent patient before discharge.
- **Hospital discharge:** Please remember complete the **Discharge CRF** as soon as possible following patient discharge. This is essential to ensure that the **Imperial research nurse** can carry out the **Day 30 follow-up** in a timely manner.
- **Associate PI scheme:** Trainee needs to register via the **NIHR online application form** to be part of the Scheme. They are **not** auto-enrolled and are **not** considered Associate PI trainees until they've done so.
- **Upcoming amendment:** In this amendment, we have adjusted the **recruitment target**, and introduced an **opt-out consent strategy** for patients at the point of discharge. We will provide further updates once approval is received.
- **Payment process:** Please send your invoice to **imperial.sis1@nhs.net** and **x.yang@nhs.net**. Once we have verified it, we will guide you through the next steps.
- **Follow-up visit:** All follow-up visits at **Day 30, Day 90, and Day 180** from discharge, will be conducted **centrally**. Local teams **do not** need to carry out these follow-up visits.
