  - **Database Queries**
  - **Invoicing**
- 

# Staff Updates

**Sneha Mehta - New Trial Manager joined  
15th Dec 2026**

**Olivia Wood - DEC left the trial 30<sup>th</sup> April  
2026**

**Karen Hughes - Joined as the new DEC  
trial May 1<sup>st</sup> 2026**

# Protocol & NSA25

NIHR approved extension to extend trial to Feb 2027

NSA25 submitted in line with extension & trial summary  
section of protocol amended (V9.0, 07Apr2026)

Waiting for R&D approval of implementation at site,  
deadline 28<sup>th</sup> May 2026

Extension does not mean recruitment will reopen

# Primary Outcome Data

**SIS Primary Outcome = FIM Score at Discharge**

**Data queries for missing primary outcome data**

**Challenges include discharged on day of admission & loss to follow up**

**Please review patient notes for discharge data and complete FIM score at discharge as soon as possible**

**Add a form note to confirm data extracted from patient notes and add date**

**Primary outcome data completion is crucial for final analysis**

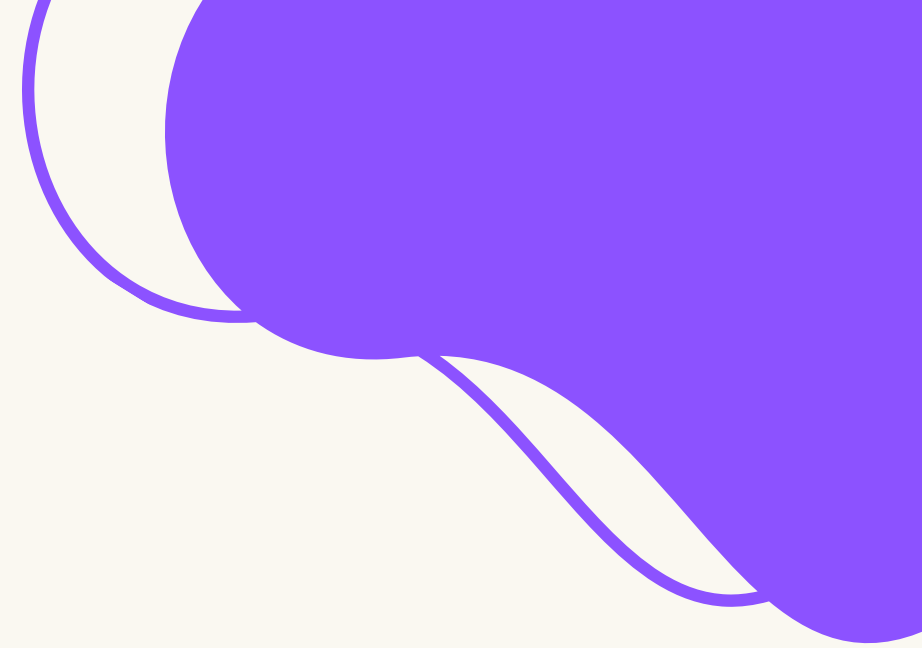

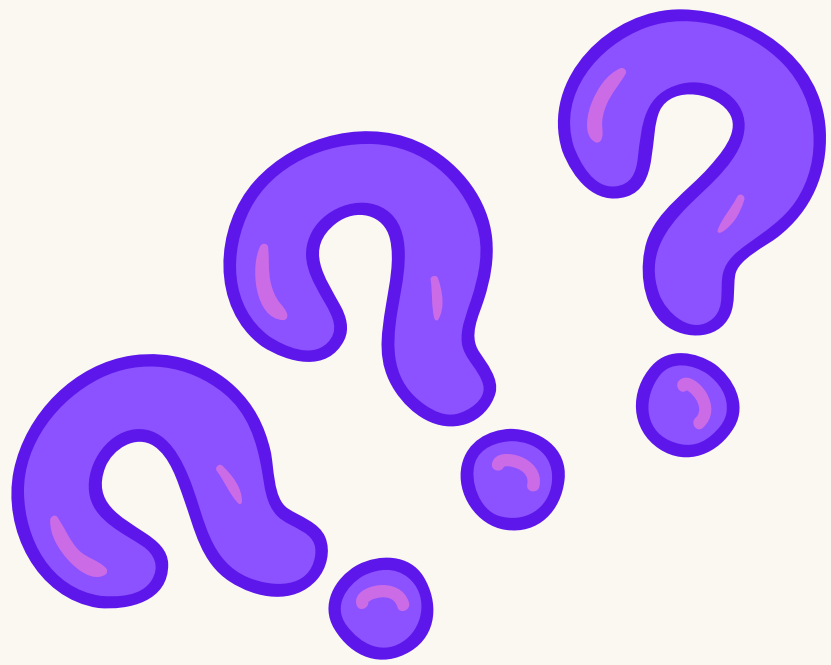

# Reminders

## Query Manager

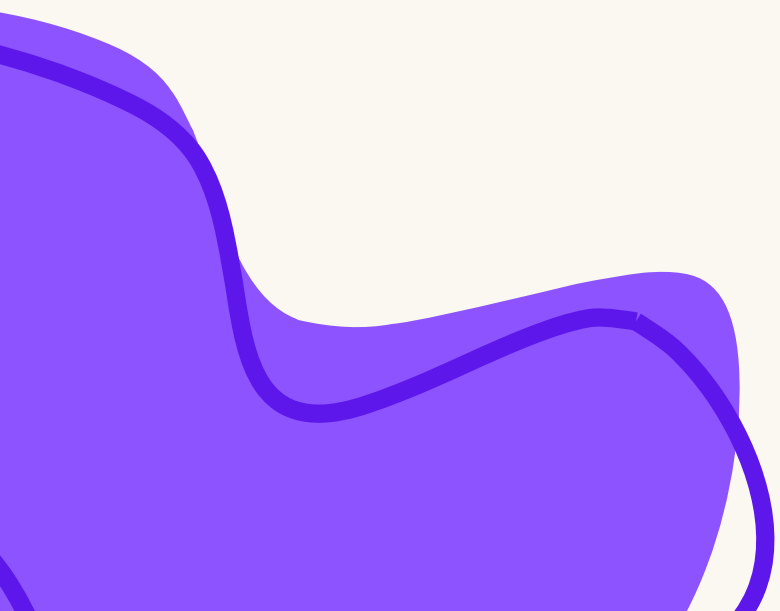

Please check your query manager and complete any outstanding queries on the database as soon as possible.

## Invoicing

Please send your invoices to  
imperial.sis1@nhs.net &  
x.yang@nhs.net for actioning.  
Include list of TNOs you are invoicing  
for and confirm in the email if it is sites  
first invoice.
