Section 2: Summary of change(s)

What do you want to update?:	<div><div><input type="radio"/> Project information</div><div><input checked="" type="radio"/> New site/PI only</div></div>
------------------------------	---

Please note: Only use this option when adding a new site or Principal Investigator (PI) to a clinical trial of an investigational medicinal product (CTIMP). You will not be able to make any other changes at the same time.

Please note: Each change being made as part of the amendment must be entered separately. For example, if an amendment to a clinical trial of an investigational medicinal product (CTIMP) involves an update to the Investigator's Brochure (IB), affecting the Reference Safety Information (RSI) and so the information documents to be given to participants, these should be entered into the amendment tool as three separate changes. A list of all possible changes is available on the "Glossary of Amendment Options" tab. To add another change, tick the "Add another change" box.
