

# Note to File

**Study title:** Sugar or Salt (SOS) trial – hyperosmolar therapy in traumatic brain injury

**Subject:** Date for non-substantial amendment 14

---

**Details:**

The internal review for the documents included in this amendment took additional time to get the required approvals. During this time NSA 15, (continuing recruitment to 30/11/2025) needed to be submitted promptly. Therefore, the amendment documents and approvals for NSA 15 are dated before NSA 14.
